

ANZMAG 2017 Conference

The 11th Australia and New Zealand society for Magnetic Resonance conference, including users meetings, will be held from Saturday 2nd – Wednesday 6th December 2017 at Mantra on Salt Beach, Kingscliff, New South Wales, Australia.

The conference covers all aspects of magnetic resonance including Biomolecules, Nitrogen vacancy centres in diamond, Diffusion, Drug discovery, EPR, Low Field NMR, Metabolomics, MRI, Natural Products, Relaxation Theory, Signal Processing, Small Molecules, and Solid State.

The conference website (www.anzmag2017.org) is now open for registration and abstract submission. The website contains a wealth of information about the conference including a draft program and other details including accommodation and access. The venue is conveniently located just 20 min from Gold Coast Airport and the Mantra resort has a waterfront position as well as direct access to a variety of restaurants. The resort provides a variety of room types to cater for different budgets.

The conference programme is taking shape with a stellar cast of plenary speakers and invited speakers including:

Art Palmer
Jon Shah
Jörg Wrachtrup
Malcolm Levitt FRS
Martin Blackledge
Monika Schönhoff
Wolfgang Lubitz
Kavita Dorai

Karol Jackowski
Dane McCamey
Julien Orts
David Craik
Lloyd Hollenberg
Martin Scanlon
Jeffrey Harmer
Silvio Aime
Matthew Call
Abhishek Gupta
Michael Johns
Joel Mackay
Toru Miura
Roger Ordidge
Olle Söderman
Sarah Vogt
Tetsuya Yoneda

Deadlines:

Earlybird registration 1 September 2017

Abstract submission 1 September 2017

ANZMAG Travel Grant submission 30 October 2017

ANZMAG 2017 encourages oral and poster contributions and a number of talks will be selected from Abstract submissions with a special category for postgraduate students.

Many sponsors have generously come forward to support and provide travel grants and poster prizes. This, together with the location, have facilitated the organisation of a very affordable conference with earlybird registration set at \$700 for members and \$400 for students.

For more information, please visit www.anzmag2017.org.
