詳しくは以下手紙中のホームページを参照してください。

Dear all,

On behalf of the 10th Asia-Pacific NMR Symposium (APNMR2023) organizing committee, it is my pleasure to officially announce APNMR2023, which will take place in Taipei during 6-9 September 2023.

The official website can be found at the following URL <https://www.apnmr2023.org/>, and the official registration and abstract submission will be open on 1 February 2023.

Several short talks will be selected from the poster abstract submission entries. Importantly, a limited number of travel awards will be given to selected young researchers to make a short talk with a cash prize to support your travel to Taiwan <https://www.apnmr2023.org/abstracts/travel-awards/>. Please submit your poster abstracts before 28 February 2023 to be considered for the short talks and the travel award.

As APNMR2023 will take place in a peak season for international conventions near the venue, hotel room availability may be limited. We encourage you to reserve your hotel rooms at your earliest convenience. I'd like to draw your attention to a limited conference package deal at Courtyard by Marriott is available upon request before 10 February 2023. For more information, please visit our webpage regarding accommodation options <https://www.apnmr2023.org/visiting-taiwan/accommodation-links/>.

Please help circulate this message and help promote APNMR2023 among your colleagues and societies. I look forward to meeting you and your colleagues in Taipei.

Sincerely yours,

Shang-Te Danny Hsu

Chair  
APNMR2023 Organizing Committee
